NOVEMBER 2009 NEWS

Celebrating Member Milestones

Monash University Soccer Club would like to extend its warmest congratulations to the club's president, Richard Huysmans, and his wife, Natasha, on the birth of their daughter, Erin Valerie June Huysmans. Erin was born at Monash Medical Centre (Clayton) on the morning of November 7, and has been settling in well at home with her proud parents.

This milestone is just the latest in the series of major events in the lives of the club's members in 2009.

Member survey outcomes

Towards the end of the last season, the club conducted a survey of its members regarding their experience at the club during 2009. The survey covered all aspects of the club including training, game-day, social events and committee, as well as the overall club atmosphere. The results have been compiled into [a report](#) and are now available online for club members.
